Mr. Jones,

We don't anticipate the additional two requests to present an issue, however, we are checking with our on-site managers/contractors to be sure we can accomplish those two additional items. We will look to the landfill to provide us timing on burial of the materials and our contractors on the weighing/manifest issue. We will attempt to get you another letter out today or Monday. If not, we will address these issues early Monday.

Thank you for the quick response.

Have a great weekend.
